# Bad Weather Closing Policy

When poor weather conditions occur, such as ice or snow, for the safety of our students and their families, Next Level may be closed. The decision to close will be made before 3:00pm and will be communicated to our students via Facebook posts on the Next Level Martial Arts Stowe Family page along with all of our Instructor's pages. A group email will also be sent out for those who do not use Facebook. If you have any questions about the closure of the studio, you may call the studio phone at **610-970-1200** to speak with Instructor Joe. Any classes missed due to studio closings should be made up as soon as possible. Students are invited to attend any age appropriate class to ensure that they stay on schedule with their training. We appreciate your understanding as we try to keep all of our family members safe.
